March 5th, 2015 | Hong Kong-as a tool of the Stone Age-ox bones, what kind of sparks will it emit when encountering the civilization product of the 21st century-electricity? What is the connection between the pottery bowl and those little hands in childhood? What problems did two black bears living in different environments and different cultural backgrounds encounter in communication? How do urbanites find their way in a densely populated and rapidly developing city? These are not IQ questions, but are the essays brought out by the art creators of the Hong Kong Academy of Arts Campus Friends Exhibition "We Grow Through Art" for the public to think about. The exhibition will be held at the Art Gallery of the Hong Kong Academy of Arts from now until April 23. The public can visit and see their answers.

Modern art not only cultivates temperament, but the process of learning art makes people grow unconsciously! The annual alumni work exhibition of the Hong Kong Academy of Art is named "Through Art, We Grow" this year. The audience can see more than 20 people from the Academy. The art works of alumni who have graduated from different courses in different years and learn how they can thrive in their art and other aspects. This year's participating alumni graduated from the college's master's, bachelor's, advanced diploma and professional certificate programs. Some alumni are currently teaching at the college. Therefore, this year's alumni work exhibition also has the meaning of a joint exhibition of teachers and students to some extent. Participating artists choose to express their ideas in various forms and materials. Works include watercolor, oil painting, ceramics, photography, digital printing and mixed media, etc. The subject matter is also very diverse: exploring personal identities and the interrelationship of different individuals; also There are creations with sex as the theme; some works are more focused on the exploration of material media.

2015 年 3 月 5 日 | 香港——當石器時代的工具--牛骨，遇上廿一世紀的文明產品--電力，會併發出怎樣的火花？一隻陶造的碗與童年的一對小手有什麼聯繫？兩隻生活於不同環境不同文化背景的黑熊在溝通上遇上什麼問題？在人口密集且高速發展的城市下，都市人如何找出路？這些不是智商題，是香港藝術學院今年校友作品展 < Through Art, We Grow > 個別作品創作者帶出予公眾思考的課題。展覽由即日起至 4 月 23 日於香港藝術學院藝廊舉行，公眾可親自到場參觀找出自己的答案。

現代藝術不只陶冶性情，學習藝術的過程更令人在不知不覺間成長！香港藝術學院一年一度的校友作品展今年定名為 < Through Art, We Grow >，觀眾可一睹由學院廿多位畢業於不同年份不同課程校友的藝術作品，瞭解他們在創作及其他方面如何從修習藝術中茁壯成長。今年的參展校友分別畢業於學院的碩士、學士、高級文憑以至專業證書課程，其中個別校友目前正於學院任教，故今年的校友作品展某程度上亦有師生聯展的意味。參展藝術家選擇以各種形式、不同物料去表達意念，作品包括水彩、油畫、陶瓷、攝影、數碼打印及混合媒體等等，題材方面亦很多元化：有探索個人身份、不同個體的相互關係；亦有以性作為題材的創作；有個別作品更著重物料媒介的探索
