Organizer: Dan Art Space

Exhibition Date: 2021.10.10-10.31

Address: Dan Art Space

(East Fourth Ring Red Star Macalline 6th Floor Supreme Living Hall)

"Echo - Young Artists Collection Project" is a comprehensive upgrade project of Dan Art Space. This is a long and meaningful promotion plan for young artists, it is the battle of the artist in the city, it is the martial arts secret of collectors, and it is the Huashan sword of art lovers.

So far, the Young Artists Collection Program has been held three times. Here, we listen to the voice from the bottom of our hearts, enter the world of art, and feel the artist's intuitive and firm posture and the courage and confidence poured into his actions. It is also the echo of art, which is leading the collision between art and the passion of life.

Collection is a highly personal act, and like artists, it has its own sequence and logic. Here you can meet more young artists with unique insights and more representative of the cultural spirit.

"Fish is a symbol of auspiciousness in Asian culture, implying the nature of fish swimming in water, auspiciousness and wealth. Fish are very lively and full of power. There are many different styles and colors from nature. This pair of artists painted fish The class images are very inspiring. Pan Kam Chi applied very colorful colors and different brush strokes on the paper to capture the swimming movements of the fish. In an original way to show the details of the fish body immersed in the water. The fin image Flying in the water is very fluid and relaxing, providing the audience with a different perspective to appreciate."

"回响—青年艺术家收藏计划"是旦艺术空间全面升级的一个项目。这是一次漫长而有意义的青年艺术家推广计划,是艺术家的困城之战,是藏家的武林秘笈,是热爱艺术人士的华山论剑。

迄今为止,青年艺术家收藏计划已经举办了三次,在这里,我们倾听心底的声音,走进艺术的世界,近距离感受艺术家直观而坚定的姿态和行动中倾注的果敢与自信,是思想的绽放,也是艺术的回响,这正引领着艺术与生活激情的碰撞。

收藏是极具个人化的行为,与艺术家一样,有着各自不同的序列与逻辑。在这里您可以遇见 更多有独特见解、更能代表文化精神的年轻艺术家。

"鱼在亚洲文化中是吉祥的象征,寓意鱼在水中游动的天性,吉祥和富贵之意。鱼非常活泼,充满力量。有多种来自大自然不同的风格和颜色。这对艺术家绘制鱼类图象有很大的启发。潘柬芝在纸上应用了非常丰富多彩的颜色和不同的笔触,以捕捉鱼类游动的动作。以独创的方式展现鱼身浸入水中的细节。鳍像在水中飞舞,非常流畅和放松,为观众提供了不同的视角欣赏。"
