EGO TRIP

you can watch it at :

<http://vimeo.com/10814139>

Egotrip	digital video	59.2mb	2008	Video without script but two different story editing together and mix with sound provide everything by artist her own. Shooting in Hong Kong tiny room and street view. First it is about two girls daily friendship and activity without any theme but cool, next is about one man and one woman who is young but have different sensation of life and living ,everything happen inside a small room. mostly on a bed.
